

# Vitovska

100% Vitovska ■ dry

Vitovska is an old white grape variety native to the Karst to which winemakers have been giving new life in the last decade. It grows on less than 70 hectares in Slovenia and Italy. *Vitovska in morje/ Mare e Vitovska* ("Vitovska and the Sea"), an annual festival dedicated to the wines made from this autochthonous grape, takes place in the enchanting setting of Duino Castle at the end of June each year.
